The Cost Analysis Division sponsors an annual NASA Cost Symposium to bring together the entire estimating and analysis community at NASA. The NASA cost analysis community includes all Centers as well as HQ and represents an essential function to the agency.

- Symposium Date: 25-27 August, 2015
- Location: NASA Research Park  
NASA Ames Research Center  
Building 152  
200 Dailey Road, Moffett Field, CA, 94035
- Event Website: <http://www.nasa.gov/offices/ooe/Symposium.html>
- Event POC: [ted.mills@nasa.gov](mailto:ted.mills@nasa.gov)
- NASA Conference Tracking System No. 22692-15

Speakers and presenters will be given the opportunity to demonstrate and share their work with colleagues and professionals from the estimation and analysis community.

Members of the NASA estimating and analysis community, support contractors, prime contractors, academia, and from other government agencies are encouraged to attend.

Maps, registration, hotel listings, and information for NASA employees will be posted on the event website. Individuals interested in presenting at the event are encouraged to review our Call for Abstracts/Papers located on the event website. Electronic Abstracts will be due by close of business June 19th, 2015. All award nominations are due July 10th. Separate announcements are available for each, with the requirements.
